

# How to use our NEW Free Font!

1. Download our Free Font onto your computer which is called : Character
2. This font can easily be manipulated in Microsoft's "Paint Program". Click on your start button and you will find the paintbrushes. Click on the paintbrushes and open up the program. Click on "A" to the left which "A" means the text button. The font tools window will pop up. Scroll down to find Characters font and your ready to go!
3. You will have to make your "box" to increase or decrease your "box space" according to how large or small you want to make the letters.
4. You can make each student's name using our characters font. Put a box around this and tape this nameplate to each student's desk. What a nice way to give each new student a warm welcome at the beginning of the school year. Let the student's color their names in or decorate them however they would like.
5. Have "FUN" with the Characters Font. Use this to make nametags, nameplates, art projects, signing cards, craft activities, etc. Let us know at Junction of Function if you have any great ideas to share on ways to use the font software.

Play and have FUN!
